Check the Herbert Green Website for the complete May 2018 Calendar

End of the Year Activities- There are many end of the year activities for our students. Please double check with your son or daughter to make sure their permission slips and donation are submitted on time.

Summer Programs for Mother Lode Students- Due to facility construction, our summer will be a little longer than normal. Our partners, The Charter Extended Day Program and Boys and Girls Clubs, will both be providing options to ensure our families are supported during this time. Please see the flyers at the end of this newsletter.

8th GRADE PROMOTION INFORMATION:

**Packets**: Mrs. Redkey again met with all 8th Graders and went over the Promotion Packets. If you haven’t seen this yet, please talk to your child about it. Two pages need to be returned- the Permission slips for Sunsplash and the Parent/Guardian Acknowledgement of Promotion. These forms and the $60 Promotion package donation are due by May 4th to your child’ math teacher.

**Dance**: The 8th Grade Promotion Dance has been scheduled and will take place May23rd from 6-8pm at Herbert Green. The dance will take place after the Promotion Ceremony.
**Bond Oversight Committee:** Mother Lode USD is looking for volunteers to join our Bond Oversight Committee. Get the inside track to our facility projects and provide assurance to the board and community that the bond funding is utilized only for the purposes described in the approved board resolution as voted by the community. If you are interested, please contact Lisa Donaldson at the district office (530) 622-6464 x433.

**Remediation:** Students who failed a class in the 2nd trimester received a letter on March 23rd regarding how to make up the F. Students can work on Moby Max remediation from home and spring break is a great time to get it done! They need to contact Mrs. Redkey or Ms. Estes (in person or by email) when they have finished a course. Students must complete all remediation in order to participate in Promotion as 8th graders.

**CURRENT 6th GRADE STUDENTS:** For students transitioning from 6th to 7th grade for the 2018-19 school year, state law requires all students entering 7th grade to have proof of a whooping cough booster (TDaP) and a total of two MMR vaccines before they are allowed to attend classes in the 2018-19 school year. Students who have not met this requirement will not be allowed to attend classes until the requirement is met – no shots, no school. Here are two ways to meet the requirement:

- The immunizations can be obtained from your physician, through a local pharmacy or by contacting the El Dorado County Health Department at 621-6200.
- If your student already received these vaccines, you can bring in proof of immunizations so school records can be up-dated.

Immunization records can be submitted anytime during school hours to the main office.
GREAT FUTURES START HERE.
